➤ **Religious or Faith education** is deemed an important area in the life of the Church for it leads a child to a greater consciousness and connectedness to God. Only such an education can serve as a guiding compass towards one's spiritual path. Without such, the child can be easily duped by many dubious vices in today's society. As we celebrate Catechetical Sunday on January 19 (next week), the Church would like to remind and exhort parents to be the primary movers towards this effort for it is your prerogative before you let the Faith educators to guide them on. "Please show interest in the faith life of your child"
